

Assistant Director, OO.

27 October 1947.

Assistant General Counsel.

Harter Committee Request for FBIB Material.

1. A request has been received from the "Harter Committee" on Foreign Aid of the House of Representatives, requesting a transcript of the Zhdanov speech on the Comintern and Russia's militant position against the Marshall Plan.

2. This text appeared in a restricted edition of the daily FBIB summaries. It was determined, if possible, to make this available to the Harter Committee, provided it could be extracted from the restricted volume and all references to its source deleted.

3. Two copies of this report were delivered to the Harter Committee on Friday 24 October, in accordance with the above paragraph.

4. This has the concurrence of the Assistant Director, OO, Assistant Director, OGD, and the Office of the General Counsel.
